Chairmans Report

Dear Councillors and Parishioners of Irby Upon Humber

It's been a difficult last couple of years dealing with the incorrect practice of the council and trying to rectify finances with little support from the bank. The council have also dealt with the resignation of the former chair that also carried out the role of RFO.

On a positive note, the parish council have now employed a CILCA qualified Clerk and RFO who is investing time to deal with the outstanding complaints and work with a new website host to improve the stand of the parish council's website. This will create a more user-friendly, transparent platform for members of the public to keep up to date with what the parish council are focusing on.

Going forward, the parish council are very positive that improvements will be happening in the near future and as always, welcome any new suggestions from members of the public to improve the service of the parish council to the parishioners of Irby Upon Humber

Here's to a successful 2025 / 2026
